Program Information

Overview of the Vascular Imaging Symposium

The 2nd annual Vascular Imaging Symposium will focus on providing practitioners the necessary tools for better vascular imaging techniques. The faculty will use case studies, hands-on demonstrations, credentialing advice and case readings to demonstrate proper techniques for cerebrovascular, renal, peripheral arterial and venous ultrasound examinations and interpretations.

Who Should Attend?

The ASE 2010 Vascular Imaging Symposium benefits physicians, sonographers, fellows, medical students and other allied healthcare providers interested in vascular ultrasound.

Vascular Imaging Symposium Location

The Hub Cira Centre
2929 Arch Street, Mezzanine Level
Philadelphia, PA 19104
www.thehub.com/ciracentre.php

Program Objectives

After participating in this program, attendees will be better able to:

- Define the anatomy and appreciate the pathophysiology of the carotid artery
- Appropriately utilize various imaging modalities to guide interventional vascular procedures
- Recognize and evaluate renal artery disease
- Apply ultrasound techniques to the evaluation of lower extremity arterial disease
- Assess complications associated with procedures requiring vascular access

Accreditation and Designation

The American Society of Echocardiography is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The American Society of Echocardiography designates this educational activity for a maximum of 8 *AMA PRA Category 1 Credits*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

ARDMS and CCI recognize ASE's certificates and have agreed to honor the credit hours toward their registry requirement for sonographers. This activity has been reviewed by the Intersocietal Accreditation Commission (IAC) and is acceptable for up to 8 hours of CME credit toward ICAVL laboratory accreditation requirements.

Course Registration

The registration fee includes coffee breaks, a boxed lunch, up to 8 *AMA PRA Category 1 Credits*[™] and a memory stick with the course syllabus. This course is subject to space availability. Please register by October 6, 2010. After this date, on-site registration is required and neither space nor lunch is guaranteed.

Syllabus

Attendees will be provided with a memory stick that includes all lectures released by faculty in a protected PowerPoint handout format. Printed syllabi will not be sold on site.

ASE is committed to ensuring that its educational mission and all sponsored educational programs are not influenced by the special interests of any corporation or individual, and its mandate is to retain only those speakers whose financial interests can be effectively resolved to maintain the goals and educational integrity of the program. While a monetary or professional affiliation with a corporation does not necessarily influence a speaker's presentation, the Essential Areas and policies of the ACCME require that any relationship that could possibly conflict with the educational value of the program be resolved prior to the educational session and disclosed to the audience. In accordance with these policies, ASE implemented mechanisms prior to the planning and implementation of this CME activity to identify and resolve conflicts of interest for all individuals in a position to control content.

Questions and Contact Information
