FOR IMMEDIATE RELEASE

SEARCH BEGINS FOR NEXT EDITOR-IN-CHIEF OF THE *JOURNAL OF THE AMERICAN SOCIETY OF ECHOCARDIOGRAPHY*

Morrisville, NC – The current Editor-in-Chief of the *Journal of the American Society of Echocardiography* (JASE) is retiring at the end of 2017, and the search is underway for the exceptional person who will take on leading JASE's editorial efforts. Applications are due July 1, 2016. Full details of the position requirements and the application process are at ASEcho.org/Editor. The successful candidate will begin working closely with the current Editor-in-Chief, Alan S. Pearlman, MD, FASE, on July 1, 2017 to ensure a smooth transition.

About JASE

JASE (OnlineJASE.com) brings physicians and sonographers cutting-edge clinical, scientific, legal, and economic research and information regarding the use of cardiovascular ultrasound. Published monthly in print and on-line, *JASE's* original, peer-reviewed articles cover conventional procedures as well as newer clinical techniques such as transesophageal echocardiography, intraoperative echocardiography, and intravascular ultrasound. *JASE* has a 2014 Impact Factor of 4.056 and receives submissions from authors from every nook and cranny of the planet.

About the American Society of Echocardiography

As the largest global organization for cardiovascular ultrasound imaging, the American Society of Echocardiography (ASE) is the leader and advocate, setting practice standards and guidelines. Comprised of nearly 17,000 physicians, sonographers, nurses, and scientists, ASE is a strong voice providing guidance, expertise, and education to its members with a commitment to improving the practice of ultrasound and imaging of the heart and cardiovascular system for better patient outcomes. For more information about ASE, visit ASEcho.org.
