# State-of-the-Art ECHOCARDIOGRAPHY

#### **FINAL PROGRAM**

#### February 22-24, 2020

*Optional Preconference Learning Lab* February 21–22, 2020

The Westin Kierland Resort & Spa 6902 E. Greenway Parkway Scottsdale, AZ 85254

#### **Course and Learning Lab Director**

Bijoy K. Khandheria, MD, FASE Past President, ASE Aurora Health Care Milwaukee, WI

#### **Course** Co-Director

William A. Zoghbi, MD, FASE Past President, ASE Houston Methodist Hospital Houston, TX

#### **Learning Lab Director**

Roberto M. Lang, MD, FASE Past President, ASE University of Chicago Medical Center Chicago, IL

#### **Learning Lab Co-Director**

Matt M. Umland, ACS, RDCS, FASE Aurora Health Care Milwaukee, WI

## Welcome Message

Welcome to the 33<sup>rd</sup> Annual State-of-the-Art Echocardiography<sup>™</sup> conference, a premier program organized by the American Society of Echocardiography. Past attendee feedback is invaluable, and we modified the program to reflect their suggestions. Workshops, cases, new technologies, and sonographer sessions have been added. We also recognize that the program took too many days away from work, so it was condensed. In keeping with past tradition, we continue to have first-rate cardiologists and sonographers presenting a broad range of echo-related topics to enhance your clinical practice. Upon completion of this course, you should have a "state-of-the-art" knowledge of clinical echocardiography including 3D and myocardial strain imaging and their practical applications.

Scottsdale, Arizona, with blue skies and first class education, awaits you.

Welcome to Scottsdale and the 33<sup>rd</sup> Annual State-of-the-Art Echocardiography conference.

Bijoy K. Khandheria, MD, FASE Course and Learning Lab Director Past President, ASE Aurora Health Care Milwaukee, WI

# SAVE THE DATE 34<sup>th</sup> Annual State-of-the-Art Echocardiography February 26 – March 1, 2021 Scottsdale, AZ

# Program Information

#### Overview of State-of-the-Art Echocardiography

This year's program follows the themes of structural heart disease, myocardial and pericardial disease, coronary artery disease, and interventional echocardiography. During the course, over 100 cases will be presented by the expert faculty to highlight what echo brings to each theme, help clinicians recognize and avoid common errors and pitfalls, and learn how to apply the guidelines in a practical manner. Small group, hands-on workshops to learn acquisition techniques of 3D and Myocardial Strain will be the highlight for the sonographer.

The faculty consists of recognized leaders in the field of echocardiography acclaimed for their teaching abilities. Participants will have the opportunity to interact with the faculty one-on-one in the preconference, computer-based Learning Lab or the songraphers' acquisition workshops.

New features include:

- Image Acquisition Workshop: Learn techniques for 3D and myocardial speckle tracking (will include live scanning and didactic lecture).
- Expanded Learning Lab: New topics include advanced hemodynamics, myocardial strain, and structural heart disease. Participants will perform 3D cropping, measurements such as LV and RV Strain, LA strain, critical measurements for TAVR, TMVR, MitraClip, and LAA occluder.
- Case-based Learning: The course will include a special focus on hemodynamics, structural heart disease, interventional echocardiography, and advanced diastolic function.
- Glimpse of the Future: Learn about the impact of Artificial Intelligence,
   Machine Learning, and Virtual Reality on the field of echocardiography.

#### **Target Audience**

State-of-the-Art Echocardiography's program is designed for adult and pediatric cardiologists, cardiovascular surgeons, anesthesiologists, radiologists, physician assistants, nurses, sonographers, and fellows in training. Participants should have a practical knowledge of echocardiography.

#### **Learning Objectives**

Upon completion of this course, participants will be better able to:

- Incorporate state-of-the-art clinical applications of echocardiography and Doppler ultrasound into clinical decision-making
- Utilize echocardiography in valvular heart disease
- Evaluate patients prior to, during, and following various structural heart disease procedures such as TAVR, mitral clip, and left atrial appendage closure
- Perform a 3D acquisition and measurement of biventricular size and function; and have a better understanding of the "knobology"
- Explain the new diastolic function guidelines
- Assess left ventricular function with state-of-the-art echocardiographic technology including strain imaging

#### **Acquisition Workshops**

(Please visit ASE registration desk to check availability. No additional fee required.)

The 3D/4D Acquisition and Advanced Myocardial Strain Mechanics workshop sessions are designed and conducted by sonographers. Each workshop will emphasize knobology, how to optimize images, and imaging planes. To maximize this educational opportunity, each session is limited to 20 individuals and is offered twice on Sunday and twice on Monday.

#### **Learning Lab Session**

(Additional Fee Required. Please visit the ASE registration desk to check availability.)

A learning lab will be offered for a full day on Friday, February 21, and a half day on Saturday, February 22, 2020. Separate registration is required, and this session is included in the total hours of educational content offered at the course.

Limited to 100 registrants, this intimate workshop allows easy access to faculty members. Computer workstations are provided to teach each participant how to quantitate fundamental aspects of clinical echocardiography. Expert faculty will demonstrate advanced hemodynamics, 3D, and myocardial strain imaging. Each participant will have plenty of case studies to practice demonstrated techniques. The small group environment allows the opportunity for nearly private instruction from top practitioners in the field.

#### Disclaimer

The information provided during this CME activity is for continuing education purposes only and is not meant to substitute for the independent medical judgment of a healthcare provider relative to diagnostic and treatment options of a specific patient's condition.

#### **Accreditation and Designation**

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Society of Echocardiography and the American Society of Echocardiography Education and Research Foundation.

The American Society of Echocardiography is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

ASE designates this live activity (the learning lab and the main session) for a maximum of **35** *AMA PRA Category 1 Credits*<sup>™</sup>. The main session has been designated for a maximum of **18.75** *AMA PRA Category 1 Credits*<sup>™</sup>.

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity enables the participant to earn up to 35 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program and/or The American Board of Anesthesiology® (ABA) Maintenance of Certification in Anesthesiology Program® or MOCA®. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is ASE's responsibility to submit participant completion information to ACCME for the purpose of granting ABA MOCA and/or ABIM MOC points.

COMMENDATION Maintenance of Certification in Anesthesiology Program® and MOCA® are registered certification marks of the American Board of Anesthesiology®. MOCA 2.0® is a trademark of the American Board of Anesthesiology®.

# Program Information

#### Daily Breakdown of CME Credits

#### **Learning Lab**

**Friday, February 21, 2020** = 9.50 hours

Saturday, February 22, 2020 = 6.75 hours

#### **Main Conference**

**Saturday, February 22, 2020** = 2.25 hours

**Sunday, February 23, 2020** = 8.50 hours

**Monday, February 24, 2020** = 8.00 hours

The ACCME and the European Board of Accreditation in Cardiology (EBAC) recognize each other's accreditation systems as substantially equivalent. To obtain EBAC credit for participation in this activity, submit evidence of participation directly to EBAC (www.ebac-cme.org).

The European Union of Medical Specialists (UEMS)-European Accreditation Council for Continuing Medical Education (EACCME) has an agreement of mutual recognition of continuing medical education (CME) credit with the American Medical Association (AMA). European physicians interested in converting *AMA PRA Category 1 Credit*™ into European CME credit (ECMEC) should contact the UEMS (www.uems.eu).

ARDMS, CCI, and Sonography Canada recognize ASE's certificates and have agreed to honor the credit hours toward their registry requirements for sonographers.

All or a portion of this educational activity may meet the CME requirement for IAC Echocardiography accreditation.

This activity is eligible for Section 1 credits in the Royal College of Physicians and Surgeons of Canada's Maintenance of Certification (MOC) Program. Participants must log into MAINPORT to claim this activity.

Physician Assistants may claim credit for completing this activity. NCCPA accepts *AMA PRA Category 1 Credit*  $^{\text{TM}}$  from organizations accredited by ACCME or a recognized state medical society.

#### **Disclosure**

ASE is committed to ensuring that its educational mission and all educational programs are not influenced by the special interests of any corporation or individual, and its mandate is to retain only those speakers whose financial interests can be effectively resolved to maintain the goals and educational integrity of the program. While a monetary or professional affiliation with a corporation does not necessarily influence a speaker's presentation, the Essential Areas and Policies of the ACCME require that any relationships that could possibly conflict with the educational value of the program be resolved prior to the educational session and disclosed to the audience. In accordance with these policies, ASE implemented mechanisms prior to the planning and implementation of this CME activity to identify and resolve conflicts of interest for all individuals in a position to control content. Disclosure information is referenced and can be found beginning on page 11 of this program.

#### **Commercial Support Disclosure Statement**

**Educational Grants:** This activity is supported in part by unrestricted educational grants from Abbott, Boston Scientific, Edwards Lifesciences, Lantheus Medical Imaging, Inc., Medtronic, and Pfizer.

**In-Kind Donations:** This activity is supported in part by in-kind donations from Canon Medical Systems USA, FUJIFILM Medical Systems USA, Inc., GE Healthcare, Hitachi Healthcare, Philips, and Siemens Healthineers.

#### How to Obtain CME

To claim your CME for State-of-the-Art Echocardiography, please follow the steps below using your Mozilla Firefox, Google Chrome, or Safari browser. Internet Explorer will not work. The deadline to claim credit is **March 20, 2020**.

#### **ASE Members:**

- 1. Go to ASEcho.org and log in to the Member Portal with your username (email) and password.
- 2. Click on Education then ASEUniversity (This will take you directly to your ASEUniversity member profile).
- 3. Proceed to the instructions below under "To Claim Credit."

#### Nonmembers:

- 1. Go to ASEUniversity.org.
- 2. Log into your existing account using the red "Log In" button on the top right or create account.
- 3. Click on "My Account" on the top right.
- 4. Proceed to the instructions below under "To Claim Credit."

#### To Claim Credit:

- Click "Add Access Code" on the left sidebar and select "Click here to redeem it."
- 2. Enter the code "SOTA2020" and click the "Redeem Code" button.
- Once verified, click "CE Information" tab and "Take Exam" button to claim your CME credit. CME credits are not earned until the entire evaluation has been completed.
- 4. Remember to enter your ABIM, ABA, ARDMS, or CCI number and birthdate if you choose to have credits for this meeting submitted to your associated board. There is a space for this information on the first page of the evaluation.
- Once you have completed the evaluation, your certificate will be available for immediate download and can also be found under "My Account" in the "My Transcripts" section.

# Attendee Information & Regulations

#### **Registration Location and Hours**

Attendee registration is located outside of the Herberger Ballroom.

Friday, February 21, 2020	7:00 AM - 6:45 PM
Saturday, February 22, 2020	7:00 AM - 8:00 PM

Sunday, February 23, 2020 and Monday, February 24, 2020 the registration desk will be open during all session hours.

#### **Food Functions**

ASE will provide breakfast and coffee breaks for registered attendees in Herberger Ballroom 2.

Lunch will be provided for registered attendees of the main conference on Sunday, February 23 – Monday, February 24. Lunch times vary. Please refer to the program schedule for times.

Refer to the program schedule for the times of the daily coffee breaks. The Westin Kierland Resort & Spa offers their guests a variety of dining options. Please see Location Information (page 6) for more details.

#### Mobile Device Use

We encourage you to use your mobile device to download the ASE Courses app. After you have downloaded the app, you will have access to the entire meeting program at your fingertips. You can also use the app to ask questions during the sessions you attend. Search "ASE Courses" in the Google Play and Apple Stores to download. Please remember to turn your mobile device to silent or vibrate mode.

# Download the ASE Live Courses app for State-of-the-Art Echocardiography information at your fingertips \*\*N \*\* 46% \*\* 8:22 AM State-of-the-Art 2020 \*\* Welcome! Welcome! State-of-the-Art 2020 \*\* Welcome! State-of-the-Art Echocardiography State-of-the-Art Echocardiography State-of-the-Art Echocardiography

#### **Internet Access**

Any attendee staying at the Westin Kierland Resort & Spa receives propertywide complimentary internet access as part of the resort fee. Log in using your guest room number and last name to access. If you are a local attendee or not staying at the Westin Kierland Resort & Spa, please visit the Registration desk to receive login details for internet access.

#### FedEx Office

The FedEx Office Print & Ship Center, located inside the Westin Kierland Resort & Spa, offers many services such as packing and shipping, office supplies, copying, and printing services. The FedEx office is conveniently open seven days a week.

#### Safety

Audience seating is on a first come, first served basis. According to fire code, a session must be closed if the room fills to capacity. Inappropriate behavior or undesirable conduct, including, but not limited to, verbal or physical abuse, whether threatened or performed, will not be permitted or tolerated. You must wear your name badge at all times when attending the session or events.

#### Photography/AV Policy

No person may record any portion of the 33<sup>rd</sup> Annual State-of-the-Art Echocardiography, either by video, still or digital photography, audio or any other recording or reproduction mechanism. This includes recording of presentations and supporting audio visual materials and of poster presentations and supporting poster materials.

Taking photos of, or recording the content of, presentation slides is also prohibited and is considered intellectual piracy. Attendees who ignore this policy will be asked to leave the educational session and are at risk of losing their name badge and attendance privileges. Photographs taken for the purpose of sharing on social media is allowed, but should avoid showing presentation slides. Please use **#EchoSOTA** when posting on social media.

ASE reserves the rights to all recordings or reproductions at ASE meetings. Please be aware that during the 33rd Annual State-of-the-Art Echocardiography, attendees, vendors, guests, and exhibitors may be photographed or videotaped by ASE staff capturing the event. Some of these photographs or videos may be displayed by ASE in future publication or other materials. By virtue of your attendance, you agree to allow ASE to use photographs of you in its promotional materials.

#### **Child Care**

The Westin Family Seasonal Kids Club, led by the Resort's award-winning FUN Team, offers children ages 4–12 years old hours of fun with activities that include swimming, scavenger hunts, tours of the hotel, movies, video games, arts and crafts, and much more. They also offer Parents Get the Night Off and Play Date Night.

For more information and fees, visit: ASEcho.org/SOTA/ChildCare. To make a reservation, please contact Kierland Mining Company at 480-624-1268 or email FUN@KierlandResort.com. Reservations are required in advance of conference start date, prior to February 22.

# Location Information

#### Scottsdale, Arizona

Make time to stretch your legs on a wildflower hike and possibly catch a spring training baseball game. The nearby McDowell Sonoran Preserve is an other-worldly landscape of rugged mountains, towering saguaros, and whimsically shaped cacti. By day, this lush landscape is ideal for sunrise hikes, hot air ballooning, and other desert adventures. After dark, the desert continues to delight with stargazing excursions and technicolor sunsets.

Old Town Scottsdale is full of public art installations, galleries, boutiques, spas, and restaurants. It also boasts award-winning craft breweries and wine-tasting rooms, as well as two of the city's most popular museums, the Western Spirit: Scottsdale's Museum of the West and the Scottsdale Museum of Contemporary Art.

Other sights you won't want to miss are Taliesin West, architect Frank Lloyd Wright's former home and studio, and a stroll among thousands of colorful species at Butterfly Wonderland. You will not go hungry in Scottsdale as it is home to more than 800 restaurants citywide.

#### The Westin Kierland Resort & Spa

Just steps from upscale shopping, dining, and entertainment in Kierland Commons, the resort features three golf courses at Kierland Golf Club. Enjoy a relaxing massage at Agave, The Arizona Spa that offers treatments inspired by traditional practices handed down through many of Arizona's native cultures as well as therapies infused with healing traditions from the best practices all over the world. Reenergize in the WestinWORKOUT® Fitness Studio, open 24 hours with room card access which includes a hot tub, steam room, and sauna. One of the resort's biggest attractions is the Adventure Water Park, which offers the iconic Kierland FlowRider flow-board simulator for surfing in the desert, a lazy river, a 110-foot-long waterslide, and more! Rent a family-friendly poolside cabana to relax in shaded luxury or enjoy your very own Tommy Bahama Relaxation Reef private island. The Aguamiel pool is the heated adult pool and is a quiet retreat that features lap lanes for fitness swimming, a hot tub, and private cabanas.

# Westin Kierland Resort & Spa Dining and Beverage Options

**Brittlebush Bar & Grill:** After a round of golf, visit Brittlebush Bar & Grill, the resort's gastropub restaurant. Sip on local craft beer, microbrews, and signature label, "Piper's Pale Ale." Relax in a lodge-like setting with copper accents and wood beams. Serving lunch; casual dress.

**Coffee Flats:** Stop by Coffee Flats before you explore sunny Scottsdale. Offering Starbucks® coffees, pastries, and hot breakfast sandwiches. At lunch, grab a salad, wrap, or snack from a selection of to-go items. Serving breakfast and lunch; casual dress.

**deseo:** Pair Latin American cuisine with a South American wine list at deseo. This lively, upbeat restaurant and lounge offers tasty ceviche, anticuchos, tapas, and an exceptional fine dining setting. Serving dinner; casual dress.

**J. Swilling's Poolside Bar & Grill:** Eat well with a casual menu after drifting in the lazy river or boarding the Kierland FlowRider. Reenergize with salads, sandwiches, and snacks. Relax in the sunshine with a frosty cocktail or beverage. Serving lunch and dinner; casual dress.

**Nellie Cashman's Monday Club Café:** Savor Arizona-inspired dining with a modern menu that reinvents traditional recipes that date back to the late 1800's. Sip on a cocktail or spirit crafted from locally sourced ingredients. Serving breakfast, lunch, and dinner; casual dress.

**The Rim:** Take in serene views of Dreamweavers Canyon at The Rim. This lobby lounge includes premium tequilas and an award-winning selection of wines and vintage cigars. Unwind with live, local music. Serving lunch; casual dress.

The Scotch Library: Let the Scotch Library Ambassadors guide you through more than 300 whiskey labels. Aficionados and first-timers find something to love with invigorating single malts and blended selections.

Waltz & Weiser Whiskey Bar and Cantina: Immerse yourself in a reimagined Old West at Waltz & Weiser Saloon. Offering balanced menu items and a selection of fine tequilas and whiskeys, it's the perfect place to watch the game or relax in the cool, evening air. Serving lunch and dinner; casual dress.

## **Exhibitor Information**

#### **Exhibit Location and Hours**

Exhibits are located in Herberger Ballroom 2 during the dates and hours listed below.

#### **Exhibitor Descriptions**

Akcea Therapeutics 22 Boston Wharf Road, 9th Floor Boston, MA 02210 United States Phone: 408-656-6831 akceatx.com

Akcea Therapeutics is a development and commercialization biotech company focused on helping patients living with serious and rare diseases. Akcea has a robust portfolio of development- and registration-stage drugs covering multiple targets and diseases using advanced RNA-targeted antisense therapeutics, which includes TEGSEDI (inotersen) for the treatment of polyneuropathy caused by hereditary transthyretin-mediated amyloidosis (hATTR) for adults.

## Canon

Canon Medical Systems, USA 2441 Michelle Drive Tustin, CA 92780 United States Phone: 310-619-7012 us.medical.canon

Canon Medical Systems USA, Inc. is a leading medical imaging systems manufacturer, including ultrasound, MRI, CT, Cath Labs, X-Ray systems, Image processing systems, etc.

#### Freeland SYSTEMS

Freeland Systems 500 Congressional Drive Carmel, IN 46032 United States

Phone: 888-615-1888 ext. 308 freelandsystems.com

cPAC is a feature-rich PACS designed for doctors, medical practices, and hospitals that facilitates HIPAA compliant reporting, imaging, and archiving solutions.

## **FUJ!FILM**

FUJIFILM Medical Systems USA, Inc.

81 Hartwell Avenue Lexington, MA 02421

**United States** 

Phone: 781-323-5300

fujifilmusa.com/products/medical/medical-informatics/

cardiovascular/index.html

Developed with direction from cardiologists, Synapse Cardiovascular offers capabilities and tools that help streamline workflow, image review, and reporting for a variety of cardiac areas.

GE Healthcare 9900 Innovation Drive Wauwatosa, WI 53226 United States Phone: 414-544-2638

gehealthcare.com

GE Healthcare provides transformational medical technologies that will shape a new age of patient care. GE Healthcare's expertise in medical imaging and information technologies, medical diagnostics, patient monitoring systems, disease research, drug discovery and biopharmaceuticals is dedicated to detecting disease earlier and tailoring treatment for individual patients. GE Healthcare offers a broad range of services to improve productivity in healthcare and enable healthcare providers to better diagnose, treat and manage patients.

#### HITACHI Inspire the Next

Hitachi Healthcare 1959 Summit Commerce Park Twinsburg, OH 44087 United States Phone: 800-800-3106

hitachihealthcare.com

cardiovascular medicine.

Hitachi Healthcare is proud of the reputation we've built as an industry leader in diagnostic ultrasound. Known for our unparalleled Doppler performance, superior system reliability and intuitive use of cutting edge technology, Hitachi Healthcare remains the ideal choice for exceptional diagnostic ultrasound imaging in the field of

Lantheus Medical Imaging, Inc. 331 Treble Cove Road North Billerica, MA 01862 United States Phone: 800-362-2668

Lantheus Medical Imaging, a global leader in the development, manufacture and commercialization of innovative diagnostic imaging agents and products serving Echocardiography and Nuclear Medicine specialties, is headquartered in North Billerica, Massachusetts with offices in Puerto Rico and Canada.

#### PHILIPS

**Philips Healthcare** 22100 Bothell Everett Hwy Bothell, WA 98021 **United States** Phone: 888-744-5477

usa.philips.com/healthcare/solutions/ultrasound

Philips is a leading healthcare technology company focused on improving people's health and enabling better outcomes across the health continuum — from healthy living and prevention, to diagnosis, treatment and home care.

Scottsdale Echocardiography Simulation Training Lab 7137 East Rancho Vista Drive, Suite B-31 Scottsdale, AZ 85251 United States Phone: 480-652-6000

The Scottsdale Echocardiography Simulation Training Laboratory is a unique privately funded educational project. For the past 6 years the laboratory has allowed private practice and academic participants access to high fidelity echocardiography simulation not readily available outside of more sophisticated academic settings. Private physician to physician or physician to sonographer instruction is based on a one-on-one model. Teaching goals are tailored to the specific needs of the attendee and are based on the current ASE Guidelines. Physician attendees are strongly encouraged to become ASE members and complete one of the four current National Board of Echocardiography examinations.

Siemens Healthineers 40 Liberty Boulevard Malvern, PA 19355 **United States** Phone: 888-826-9702

siemens-healthineers.com/en-us/

Siemens Healthineers enables healthcare providers worldwide to increase value by empowering them on their journey towards expanding precision medicine, transforming care delivery, improving patient experience and digitalizing healthcare. A leader in medical technology, Siemens Healthineers is constantly innovating its portfolio of products and services in its core areas of diagnostic and therapeutic imaging and in laboratory diagnostics and molecular medicine.

Wolters Kluwer 3013 East South Fork Drive Phoenix, AZ 85048 **United States** Phone: 480-390-2613

LWW.com

Wolters Kluwer Health is a leading global provider of information and point of care solutions for the healthcare industry.

#### The following faculty members do not have any relationships with industry/commercial supporters to disclose:

Theodore P. Abraham, MD, FASE Cara Burgeron, RDCS, RVT Marissa Christensen, RDCS Hillary S. Huisheere, RDCS, RVT Bijoy K. Khandheria, MD, FASE Renuka Jain, MD, FASE Chris J. Kramer, ACS, RDCS, FASE Steven J. Lester, MD, FASE Sarah M. Roemer, BS, RDCS McKenzie Schweitzer, RDCS, FASE James Seward, MD, FASE Madhav Swaminathan, MD, FASE Matt Umland, ACS, RDCS, FASE Megan Yamat, RDCS, RDS, FASE William A. Zoghbi, MD, FASE

#### The following faculty members do have financial relationships with industry/commercial supporters to disclose:

Judy W. Hung, MD – Harpoon Medical Inc. – Core Lab (Consultant, Advisor) Eric Kruse, BS, ACS, RDCS, RVT, FASE - Lantheus Medical Imaging (Consultant, Advisor)

Roberto M. Lang, MD, FASE - Philips Imaging (Speaker/Speakers' Bureau, Consultant, Advisor)

Stephen H. Little, MD, FASE – Medtronic (Research Grant (including PI); Abbott Vascular (Research Grant (including PI)

Muhamed Saric, MD, PhD, FASE - Philips (Speaker/Speakers' Bureau); Medtronic (Speaker/Speakers' Bureau); Siemens (Consultant, Advisor)

Partho P. Sengupta MBBS, MD, DM, FASE - Heart Sciences (Consultant, Advisor); Ultromics (Consultant, Advisor); Kencor Health (Consultant, Advisor)

#### The following members of the ASE CME Committee (not serving as faculty) do not have any relationship with industry/commercial supporters to disclosure:

Bhawna Arya, MD, FASE; Jennifer Betz, BS, RDCS, FASE; Mary Corretti, MD, FASE; Loren Francis, MD; Denise Ignatowski, BS, RDCS, FASE; Eric Kallstrom, MBA, ACS, RDCS, FASE; Jin Kyung Kim, MD, PhD, FASE, FACC; Rebecca Klug, BA, ACS, RDCS, PE, RT:R, FASE; Smadar Kort, MD, FASE; Aparna Kulkarni, MD; Maan Malahfji, MD; Matthew Parker, MD, FASE; Rene Quiroz, MD, FASE; Eileen Richardot, RCS, RDCS, FASE; Danita Sanborn, MD, MMSc, FASE; Jeffrey Scott, DO; Timothy Slesnick, MD, FASE; Richard Stacey, MD, FASE; Carolyn Lee Taylor, MD, FASE; Ratna Vadlamudi, MD, FASE; Anita Wokhlu, MD, FASE

#### All members of the ASE staff who were involved in the planning and implementation of this activity do not have any relationships with industry/commercial supporters to disclose:

Jenn Goss, Medical Education Specialist Christina LaFuria, Director of Education Elizabeth Lane, Online Education Specialist Jaclyn Levine, CMP, Meetings Department Manager Robin Wiegerink, MNPL, Chief Executive Officer
