

How to Obtain CME Credit

Non-Members:

1. Go to log-in page on ASEUniversity.org

The screenshot shows the ASE University website interface. At the top left is the ASE logo (American Society of Echocardiography). To the right is a search bar and social media icons for Facebook, Twitter, LinkedIn, and YouTube. Below the header are three main sections:

- ASE Member Login:** A light blue box containing a red button labeled "ASE Member Login".
- ASE Non-Member Login:** A light blue box with the heading "ASE Non-Member Login" and a sub-heading "If you are not an ASE member or do not already have an account on asecho.org, please login here!". It contains two input fields: "Email Address" and "Password", followed by a red button labeled "Login". Below the fields is a note: "For non-members, to reset your password email ASE at cme@asecho.org."
- Create a New Account:** A yellow box with the heading "Create a New Account" and a sub-heading "Are you a non-member new to ASEUniversity? Complete the form below to create your profile and get started. Join ASE and receive an average of 30 CME credits FREE per year. Go to www.asecho.org/join-ase. ASE members do NOT need to create a profile. Log in above using your ASE username(email) and password. To reset your ASE member password, go to asecho.org". It contains several input fields: "First Name *", "Last Name *", "Email Address *", "Re-enter Email Address *", "Password *", and "Re-enter Password *". Each field has a corresponding label and a red asterisk. Below the fields is a note: "Your password must be at least 8 characters and contain a number and letter."

2. If you have an existing account, login through the ASE Non-Member Login

This is a close-up screenshot of the "ASE Non-Member Login" form. It features a light blue header with the title "ASE Non-Member Login" and the instruction "If you are not an ASE member or do not already have an account on asecho.org, please login here!". The form contains two input fields: "Email Address" and "Password". Below these fields is a red button with a white arrow and the text "Login". At the bottom of the form, there is a grey box with the text: "For non-members, to reset your password email ASE at cme@asecho.org."

3. If this is your first time using ASEUniversity, create a new account.

Create a New Account

Are you a non-member new to ASEUniversity? Complete the form below to create your profile and get started. Join ASE and receive an average of 30 CME credits FREE per year. Go to www.asecho.org/join-ase. ASE members do NOT need to create a profile. Log in above using your ASE username(email) and password. To reset your ASE member password, go to asecho.org
