

Cancellation and Refund Policy for ASE's State-of-the-Art Echocardiography™ 2026

ASE hopes that everyone who registers for the course will be able to attend. However, we understand extenuating circumstances do occur. All cancellation requests must be submitted in writing to Registrar@ASEcho.org.

Cancellation requests received on or before January 15, 2026, will receive a full refund, minus a \$100 administrative fee.

Cancellations received between January 16, 2026, and February 12, 2026, will receive a refund of 50% of their registration fee.

Cancellations received on or after February 13, 2026, and no-shows will not be refunded.

Registration fees for any ASE course are non-transferable to another participant or to another course. Refunds will be processed within 5-7 business days and will be issued to the original payment method (if your payment is older than 180 days, any refund due will be issued via check). In the unlikely event that ASE cancels the in-person course, ASE is responsible for refunding the registration fee only. Other expenses incurred by the participant, including airfare, hotel accommodations, or miscellaneous expenses, are the responsibility of the registrant.

Membership dues, whether purchased with course registration or separately, are non-refundable and non-transferable.
