

## Scientific Sessions 2026 – Friday, June 26

**Exhibit Hall: 12:30 - 6:00 PM**

	Plenary Aurora A	Education Room 3 Aurora B	Education Room 2 Aurora C	Education Room 4 Summit 8&9	Education Room 5 Crest 1&2	DIY Room Summit 6&7	Poster Presentation Area	S&T #1	S&T #2	Experience Hub			
8:00 – 9:00 AM	Cor et Machina: AI in Echo Innovation	When in Colorado... From Mountains to Sea: Adaptation to High Altitude and Pulmonary Hypertension  Peds/Critical Care (Joint Session with Chinese SE )	Challenging Echos and Decision Making in Single Ventricles  Pediatrics	Aortic Disease Across the Lifespan  Circ/Vasc	Abstract Session #1	HCM DIY Patients							
15 min	Transition												
9:15 - 10:15 AM	POCUS and Access to Healthcare**  Critical Care/Ischemia Kerber/Kirkpatrick Lecture	Pericardial Pathology: Multimodality Imaging is Knocking  Myocardial/HCM	Timeless Wisdom from the Trailblazers of Congenital Heart Disease  Peds/ACHD	Expanding Role of Ultrasound Enhancing Agents in Cardiovascular Imaging  Imaging Essentials	Abstract Session #2	HCM DIY Patients							
15 min	Transition												
10:30 – 11:30 PM (60 min)	Stress Test Reset: To Ischemia and Beyond!  Ischemia/Critical Care (EACVI)	Obstructive HCM: How Imaging Guides Therapy  Myocardial/HCM	The Future is Here: Expanding the Role of 3DE in Pediatric Interventional Guidance and Surgical Decision Making  Pediatrics	SHOWCASE (11:00 - 12:30)	IAC Quality Improvement Bootcamp	UEA DIY - US guided IV Placement (No Models)				Cases from Around the World			
15 min	Transition		Transition										
11:45 - 12:45 PM (60 min)	Don't Be So Stiff: A New Look at Diastolic Problems (Joint Session with JSE)  Myocardial/HCM	Rocky Mountain Peaks: Evaluation of Dynamic LVOT Obstruction  Imaging Essentials	Tetralogy of Fallot, a 350 Year Journey: What is New in Imaging from the Fetus to the Adult  Pediatrics		Ergonomics in Cardiac Ultrasound: Eliminating WRMD in Sonography  Practice of Echo	DIY Tricuspid Valve Dz (No models)							
60 min	Lunch Break												
12:30 PM	Exhibit Hall Opens @ 12:30 PM									S&T #1 1:00-2:00 PM	S&T #2 1:00-2:00 PM	Who wants to be a Leader” Leadership Academy game show (12:30-1:30)	
1:45 - 2:45 PM (60 min)		Shark Tank**	Pediatric Jeopardy!  Pediatrics	Role of Echocardiographic Phenotyping and AI in the Criticallly Ill  Ischemia/Critical Care	Not to Put too Fine a Point On It: Common Pitfalls in TAVR Imaging  Imaging Essentials								
15 min													
3:00- 4:30 PM (90 min)	ASE Opening Plenary												
4:30 - 6:00 PM	President's Welcome Reception						President's Circle						
6:30 – 9:00 PM	Past Presidents / Satellite Symposia / International Reception												

## Scientific Sessions 2026 – Saturday, June 27th

**Exhibit Hours: 10:00 AM - 5:30 PM**

	Plenary Aurora A	Education Room 3 Aurora B	Education Room 2 Aurora C	Education Room 4 Summit 8&9	Education Room 5 Crest 1&2	Education Room 6 Valley 1	DIY Room Summit 6&7	SHD Bootcamp / Learning Labs Summit 10&11	S&T #1	S&T #2	Poster Presentation Area	Experience Hub Aurora D	
7:30 - 8:30 AM (60 min)	<b>Imaging the Athlete's Heart: Diagnostic Dilemmas and Decision Pathways</b>  Myocardial/HCM	<b>Aortic Valve Disease: from Diagnosis to Intervention (<i>Kalmanson Lecture</i> )</b>  IE/Valve/SHD	<b>Diastology is Back!</b>  Pediatrics	<b>Workforce Survey Results: Lab Director Forum</b>	<b>LA Appendage</b>  Virtual Reality	POCUS							
15 min	Transition												
8:45 - 9:45 AM (60 min)	<b>Keynote Speaker**</b>  Practice of Echo Gardin Lecture	<b>The Right Stuff: RV Assessment and Role in Clinical Decision-Making</b>  Myocardial/HCM		<b>Stop the Wedge: Critical Care Echo Instead of PA Catheters in the CICU</b>  Critical Care/Ischemia	<b>Multimodality Imaging in Pregnancy-associated Vascular Complications</b>  Circ/Vasc								
15 min	Transition												
10:00 AM	Exhibit Hall Opens												
10:00 - 11:00 AM (60 min)	<b>Great Debates in Imaging- Guided LAA Occlusion and Exclusion</b>  IE/ Valve/SHD	<b>The Landscape of Mutimodality Imaging in Pulmonary Embolism</b>  Circ/Vasc	<b>Challenging Fetal Cases for Heated Discussions</b>  Pediatrics	<b>Abstract Session #3</b>	<b>Council Business Meetings</b>			3D SHD Workshop (10:00 - 1:00 PM )	<b>Strain in Cardio-Oncology: Old Debates and New Applications</b>  Myocardial/HCM	<b>Late Breaking Science</b>	<b>Poster Session</b>	<b>Local Society Jeopardy REGIONALS  (Experience Hub)</b>	
15 min	Tranistion												
11:15 - 12:15 PM (60 min)	<b>Charting the WASE of Roberto Lang: The Influence and Legacy of Il Maestro of Echo **</b>		<b>Abstract Session: Pediatrics #1</b>  Pediatrics / ACHD	<b>Abstract Session: Valvular / IE</b>  IE/Valve/SHD	<b>Abstract Session: Myocardial</b>  Myocardial/HCM		<b>DIY</b>  LAA Occluder Devices (no models)			<b>Poster Session</b>	<b>Cases from Around the World</b>		
12:15 - 1:30 PM	<b>Lunch – Visit Exhibit Hall and Rapid Fire Posters – 75 minutes</b>  <b>How to Get Involved in ASE</b>								<b>Industry 12:30 - 1:30</b>	<b>Industry 12:30 - 1:30</b>	<b>Rapid Fire &amp; Poster</b>		
1:30– 2:30 PM (60 min)	<b>Echo Evaluation of Mechanical Circulatory Support: How Do the Guidelines Help Us?</b>  Critical Care/Ischemia	<b>Weyman YIA and Feigenbaum Lecture Scholar Recognition** 1:30 - 3:30 PM (120 min)</b>		<b>Understanding Mitral TEER procedure and imaging</b>  Imaging Essentials/IE	<b>The Data Doesn't Add Up: Critical Thinking in the Echo Lab</b>  Practice of Echo	POCUS		<b>PEDS Learning Lab - 3D (1:30 - 3:00 PM)</b>		<b>Poster Session</b>			
15 min													
2:45 – 3:45 PM (60 min)	<b>Letter-Perfect Lacerations: Imaging the ABCs of Transcatheter Electrosurgery (Joint Session with SCCT)</b>  IE/Valve/SHD / Myocardial				<b>ASD &amp; PFOs</b>  Virtual Reality				<b>Mismatched Valves: Patient Prosthesis Mismatch</b>  ACHD/IE/ Valve/SHD	<b>And the Hypertrophy Disappears? Decreasing LVH in Obstruction in Cats and Humans</b>  Vets/Myocardial/HCM	<b>Poster Session</b>		
3:45 – 4:30 PM	Close hall								<b>Industry 3:45 - 4:45</b>	<b>Industry 3:45 - 4:45</b>	<b>Rapid Fire &amp; Poster</b>		
4:30 – 5:30 PM (60 min)	<b>Echo World Cup</b>	<b>AI and Automation Today: The Real Truth</b>  Innovation	<b>Next-Gen Pediatric Echo: What is New in 2026</b>  Pediatrics	<b>Read with the Experts: Optimize, Troubleshoot, Diagnose: Practical Tips for Challenging Echo Exams</b>  Imaging Essentials	<b>Is a Career in Interventional Echocardiography Right for Me?</b>  IE/ Valve/SHD			<b>PEDS Learning Lab - Strain (3:30- 5:00 PM)</b>		<b>Poster Session</b>			
60 min	FREE TIME												
6:30 – 11:00 PM	Gala												

## Scientific Sessions 2026 – Sunday, June 28

**Exhibit Hours: 9:00 AM - 2:00 PM**

	Plenary Aurora A	Education Room 3 Aurora B	Education Room 2 Aurora C	Education Room 4 Summit 8&9	Education Room 5 Crest 1&2	Education Room 6 Valley 1	DIY Room Summit 6&7	SHD Bootcamp / Learning Labs Summit 10&11	S&T #1	S&T #2	Poster Presentation Area	Experience Hub Aurora D
7:00 – 8:00 AM (60 min)	Next Gen Echo: Precision, Performance, Progress, and the Future of Echocardiography Innovation	What LA Strain Reveals About the Heart: A Practical Guide to Imaging and Interpretation  Imaging Essentials	I can See Clearly Now: Navigating Discrepancies in the Pediatric Echolab  Pediatrics	Building Efficient Echo Lab and Creating Educational Pipeline  Practice of Echo	Read with The Experts: SHD  IE/Valve/SHD	Veterinary Abstract Showcase  Veterinary	Aortic Valve Interventions  Virtual Reality					
15 min	Transition							SHD Bootcamp (7:30 - 10:30)				
8:15 - 9:15 AM (60 min)	Clinical Dilemmas - Repair vs Replace: Case-Based Decision Making in the Operating Room  IE/Valve/SHD	POCUS and Screening for Rheumatic Heart Disease**  Practice of Echo (WHF) Khandheria Global Lecture	Pump Up Your Echo Lab: Assesseing the Heart During Failure and Recovery in Children with VADs  Pediatrics	Abstract Session: Critical Care  Ischemia/Critical Care	Scan/Read with Me: Beyond the Standard Views: Fundamentals for Advanced Imaging (Strain & 3D)  Imaging Essentials	Aortic stenosis: managing the grey zone in two- vs. four-legged patients  Veterinary	ASD & PFOs  Virtual Reality				Local Society Jeopardy FINALS (Experience Hub)	
9:00	Exhibit Hall Opens											
9:15 - 9:45 AM	Visit Exhibit Hall and Posters – 30 minutes											
9:45 - 10:45 AM (60 min)	The Heart Team in Action: AFIB**  Practice of Echo	Brian Haluska Sonographer Research Presentations - Scholar Recognition ** (9:45 - 11:15 AM) (90 min)	Under Pressure: Stress Echo in the Pediatric Echo Lab  Pediatrics			Right Heart in Humans, Horses, Dogs, and Cats (Oh My!)  Veterinary	Applications-LA and RV Strain  Models			Amyloidosis 201: Beyond the Cherry on Top  Myocardial/HCM	Abstract Session: Valvular / IE  IE/Valve/SHD	Poster Session
15 min												
11:00 – 12:00 PM (60 min)	The Heart Team in Action: Navigating Complex Structural Interventions **  IE/ Valve/SHD		A Deep Dive Into Ebstein Anomaly Across the Lifespan  Pediatrics	Echocardiography and Endocarditis in the Modern Era  Ischemia/Critical Care	Scan with Me  Pediatrics	Stump the experts! Human/vet challenge  Veterinary	DIY Vascular  Patients	LA Appendage  Virtual Reality			Poster Session	Cases from Around the World
12:00 – 1:30 PM	Lunch – Visit Exhibit Hall and Rapid Fire Posters – 90 minutes International Relations Luncheon - Invitation Only								Industry 12:30 - 1:30	Industry 12:30 - 1:30	Rapid Fire & Poster Session	
1:30 – 2:30 PM (60 min)	On the cutting edge of Structural Heart Disease Imaging and Interventions: Road to the Future (In partnership with CRF) Innovation	Educator's Summit: Hands-on Strategies for Sonographer Educators	Looking Through the Same Lens: Integrating Pediatric Cardiology and Neonatology for Optimal Hemodynamic Care in the NICU  Pediatrics	Echo QI: Creating Consistency in Multi-Site Lab Systems  Practice of Echo	Scan with Me: Carotid and Transcranial Ultrasound  Circ/Vasc	Interventional transesophageal echocardiography in dogs and cats  Veterinary	DIY Peds  Patients	ACHD  Virtual Reality				
15 min	Transition											
2:45 – 3:45 PM (60 min)	Women in Echo: The XX Factor in Cardiovascular Ultrasound: Echoes of Sex-based Differences  Imaging Essentials	Tricuspid Valve Imaging for Transcatheter Therapies: The Essentials (Joint wth EACVI)  IE/ Valve/SHD	Abstract Session: Pediatrics #2  Peds/ACHD	QI in the Echo Lab: Onboarding, Lifelong Learning, and Career Ladder  Practice of Echo	Multimodality Imaging in Vascular Practice  Circ/Vasc	Left atrial size and function in humans and other animals  Veterinary						
3:45 - 5:00 PM	Adjourn											
5:00 - 8:00 PM	Faculty / IRT / YIA / Past Presidents Reception
