

Mobile Check-In at Gaylord Rockies

Check in on the Marriott Bonvoy® App

Using the Marriott Bonvoy® App, you can check in prior to arrival and receive a mobile key to access your room via your phone, allowing you to get to your event faster.

New Key Sharing Feature

The primary Marriott Bonvoy member can now send their Mobile Key up to three (3) additional Marriott Bonvoy members directly from their app.

How to Share Your Mobile Key

- Primary Guest adds the name of the name of the guest they want to share their key with. The recipient will receive an invitation via text message.
- Recipient receives invitation via text message and must accept the invitation.
- Primary Guest approves the Key Share invitation.
- Recipient is notified when Mobile Key is ready for download or if they need to stop by the front desk.

The Primary Guest can view who has access to a Shared Key directly on their app to a Shared Key directly from their app.

More on the App

- Check in on the app and opt in for mobile key for a seamless arrival.
- Chat directly with your hotel up to two days before your arrival to ask questions or make requests throughout your stay.
- Check your points balance, explore your benefits, download your folio, and more.
